

The creators, Gina Moore and Jon Lessans of Safe Harbor Alchemy, have combined their creative efforts to make this craft Bloody Mary Mix. It is said that inspiration can strike at the most unexpected times and places, and that is true. A series of synchronicities led to the creation of The Other Mary Bloody Mary Mix. The creators wanted to make something new and delicious with a look that would jump off the shelf and a taste that would be complex right out of the bottle.
