

Founded by Michael Robinson II of Winston-Salem NC, Bingo-Bango Fresh Fruit Soda Co. was created from a phrase often used by his late grandfather Emile Worthy Sr. (Pictured) That phrase "Bingo-Bango!" symbolized the flavor, creation, or sound of something amazing. Heavily influenced by his Creole New-Orleans lineage, and with the beautiful inspiration of his grandfathers love for music, the arts, and craftsmanship, Michael began work on his first batch of craft soda in 2017 using the exact juicer given to his mother by his grandfather.
