

Keep it mild or make it hot: Add some of the extra chili powder provided to suit your taste buds. Whether you're preparing a family lunch, you're a time-pressed college student prepping meals for the week, or you are a party lover hosting an ethnic dinner for 20 of your closest friends with an assortment of curries cooking simultaneously, Karen's Spice Kitchen spice packets are the way to go! The result is a healthy, delicious, easy-to-prepare meal in no time ... no matter your level of culinary expertise.
