

Welcome to New Creation Soda Works, a family owned and operated craft soda shop located in Bishop, Georgia. We hand craft unique sodas doing our best to deliver the best soda you can find anywhere. Operating out of the old Thaxton's Turkey Hatchery in Bishop, GA, we create our own recipes or put a twist on an old classic so our customers can enjoy a lighter, fresher, and creative alternative to conventional sodas. We source the finest ingredients we can find and work in small batches the old-fashioned way — by hand; from berry picking and fruit cutting to bottling and labeling. We keep our ingredient list short and flavorful. We aren't the first to make craft soda, but are joining other small companies around the country intent on creating a new generation of soda. We are following the footsteps of our hand-crafted beer brewing friends and believe the path is just as wide and long for hand-crafted soda. Every day we grow as a family, working hard, having fun, and doing our
