

Each batch of Queen Charlotte's Pimento Cheese Royale is handcrafted in our brand new production facility in our hometown of Charlotte, NC. After starting with a cream cheese base (and less mayonnaise than the average pimento cheese), we grate, blend, and package each and every tub by hand. In Her Majesty's Royal Opinion, this most delectable of concoctions is the finest pimento cheese man has ever conjured.

PLEASE NOTE: Due to low stock of this item in the warehouse, please order a week in advance. We keep low stock of this item, so that we can deliver your product to you FRESH!
