

# BRUCE JULIAN HERITAGE FOODS

Over the years Bruce Julian, a haberdasher from North Carolina, had been on a quest to create the perfect Bloody Mary and he nailed it with his award winning mix! In 2014 Bruce Julian Bloody Mary Mix was introduced! This all-natural, handcrafted, sophisticated mixer starts out sweet and finishes savory. It has just enough heat and tastes homemade every time. To further pay homage to this Southern Classic we added Bruce's own savory rimmer and pickled veggies which instantly conjures a lazy Sunday morning on the porch, no matter where you happen to be doing your sippin'.

But we couldn't stop there because we love all the gracious Southern Classics. We dug deep into our memories of favorite things throughout our lives like learning to dance standing on our Daddy's shoes, Mom's making the perfect Pecan Pie, brunches with friends, and casual dinners at home. All these moments came together creating an amazing array of Savory, Sassy and Southern Fare to share with you.

Newly adding to our family of goodies we are pleased to introduce our Craft Beer Brittle using delicious craft beers for a unique spin on a true Southern classic. Cheers!

And we are doubly pleased to be launching two new cocktail mixers later this month. Mango-Rita and Margarita mixes, both made with natural juices for refreshing cocktails.
