

Janay's Herbal products are made with the finest organic ingredients available. Each product is made with care, with holistic health in mind. The company currently makes 7 products, including the well-known Janay's Face & Body Bar. Through extensive research, Deberry was introduced to naturally healing herbs like burdock root. Because of his family's success with homeopathic remedies, Deberry has become dedicated to providing chemical-free products packed with vitamins. Janay's Herbal products have received rave reviews from customers. Some of whom have even seen improvements with enduring skin conditions, like rashes & psoriasis. Janay's Herbal Organic Skincare and Haircare products are dedicated to reaching the root causes of skin issues and retaining a healthy balance of vitamins and minerals needed for healthy, glowing skin and hair.
