

# WHERE DO THESE DELICIOUS HOMESTYLE MEALS COME FROM?

## Stoltzfus Kitchen

Stoltzfus Kitchen is a small family-run business that started in November of 2015. Wilmer Stoltzfus began making homemade meals as a business in a certified USDA kitchen in the basement of his home. Though his sales have grown exponentially since then, that's still where they make all of their meals today. Wilmer, along with the help of his family makes an average of 480 meals per day from 7 a.m. to 3 p.m. Most of the recipes that Wilmer uses for his homestyle meals are old family favorites that he created on his own. . .
